Summer 2019 Final Grade Indicator Dates

Mid-Term Indicators do not apply for the Summer Term.

Final Grade Indicators - Grades roll 4 times during the summer, final grade indicators are set approx. 1 week prior to each POT End date and can be opened earlier if need be. All Indicators are removed at noon on the date of the final grade rolling after the full summer has concluded as instructors can enter earlier ending POT's up until the end of Summer. Concluded POT Courses graded earlier will be caught up in one of the first 3 rolls. Any ungraded/not reported early POT courses and courses that run until the end of the term will be included in the final grade roll. End dates for MED/PHARM that extend past the final grade roll are excluded from the grade process (process excludes ongoing courses) and indicators are removed after 48 hours of grade entry time permitted after the course end date.
